## Day Cruise to Tallinn – Capital of Estonia Post Tour 16.1.2026

### ***Welcome to Medieval Tallinn!***

*The heart of Tallinn is its Medieval Old Town, a fairytale neighborhood of gabled houses, Gothic spires and cobblestone streets that dates in the 13th-16th centuries, the days when this was a thriving, Hanseatic trade centre. Tallinn's Old Town is on the UNESCO's list of World Heritage Site as an exceptionally complete and well preserved example of a Medieval northern European trading city.*

*Tallinn is a fantastic place to experience in each season. In summer the city positively bursts with life, both the crisp, colorful autumn and the warm, fresh spring offer their own natural charms. Seasons and Estonian pure nature also influence the fine food and flavours that can be enjoyed in several fine restaurants in Tallinn.*

The tour is organized by Tallink Silja and Visit Tallinn.
