## Winter Fun Finland Workshop Pre Tour

### Hossa-Suomussalmi in Arctic Lakeland

Pre Tour 13.3.2026 - 15.3.2026

#### *Hossa-Suomussalmi - Nature, Culture, History.*

Suomussalmi is located in Northern Finland and is part of the Arctic Lakeland region. It has two main destinations: the town of Suomussalmi, with its hotels, reindeer farm, and peaceful atmosphere, and Hossa National Park, which offers abundant opportunities for outdoor activities in a tranquil setting, far from mass tourism.

In April, Hossa and Suomussalmi present a variety of outdoor activities, as spring brings unique beauty and new opportunities to the area. The snow cover is still thick in some places, but the signs of spring are already beginning to show. During the program, you'll have the chance to meet reindeers, dine at Niittykahvila cafe near the Silent People, and explore fat biking, snowshoeing, ice fishing, and husky safaris amidst breathtaking landscapes. You will stay in eco-friendly cabins in the heart of Hossa.

Join us and take your clients towards top nature travel experiences!

*This tour is warmly recommended for all tour operators.*
