Summer Fun Workshop Post Tour

Forssa-Tammela area 12. – 13.5.2026

Textures of Nature and Tradition – a journey into the Forssa Region

The Forssa region and its five municipalities are located in the heart of some of Finland's most beautiful landscapes, in the Häme region. The strength of the area lies in its diversity, and the region is easily accessible from the major cities of Southern Finland within an hour and a half.

A familiarization visit to the Forssa region offers a comprehensive insight into the area's nature, cultural heritage, and local flavours. The programme combines the unique landscapes of Torrnsuo and Liesjärvi National Parks, a museum complex rooted in Forssa's textile history, as well as visits to local businesses and experiences centred around local food.
