

Baltic Countries Workshop Pre and Post Tour

Discover Vilnius: A Familiarization Tour

Post Tour 27.10 – 29.10.2026

Vilnius was never hidden — you just hadn't looked yet.

This October, tour operators are invited to walk it for themselves: a UNESCO Old Town of baroque churches and hidden courtyards, dining from Michelin tables to heritage taverns, and forests and rivers minutes from the centre. Autumn brings golden light, quieter streets and a full events calendar. Experience local culture, test the routes, leave with itineraries ready to sell.

Big-city culture. No big-city chaos.
